Hello

Well, at the police station, I was asked how do I know you. So I told them that the site of fivestarentertainments.com five years back and after that it was thru that we built relations & so I did this site. I also told them that Fayyazbhai had through our marketing emailer & I have been the managing the five star site for five years. I have given them both the addresses of the websites i.e. 999legalrajulenterprises.com. I told them that I have done the site for rs.8000. I inform me have put the contents on the website as per your instructions. Apart from this, taken all my contact details & told me that I need to be present anytime they c
